

Land of the Sweets backdrop design by Jill Carter

Dear Dance Enthusiast,

Ballet Northwest is excited to announce we have made great progress in our \$50,000 fundraising campaign to create new sets for the Snow and Kingdom of Sweets scenes for our 35th anniversary production of *The Nutcracker* this year. We have received \$28,000 in grants from major foundations in Seattle, as well as \$12,000 in individual donations from our local patrons. Please help us close the \$10,000 gap, by making a pledge to our fundraising campaign before August 31st. Pledges can be broken out into 4 equal monthly installments.

Thank you for your consideration - the excitement of set painting is about to begin!

- Chris Cushman, Board President
- Ken & Josie Johnson, Co-Artistic Directors
