Dear friends,

As Ballet Northwest (BNW) begins its 47th season of offering high quality dance performances, education, and outreach in the South Sound, I ask you to consider supporting BNW with a season membership. BNW is a non-profit organization that strives to make the art of dance accessible to all and it relies on the support of its members to make these programs possible. Last season BNW was able to produce *Coppelia* with members of the Olympia Symphony in a ground breaking collaboration thanks to the support of our members and donors.

This season with your support we will be able to accomplish the following:

- bus over 1,200 elementary school students to the Washington Center for a free student matinee,
- provide thousands of dollars in financial assistance to local dancers for fees, tuition, and supplies,
- partner with organizations like Homeless Backpacks, Family Education & Support Center, YWCA, SafePlace, Community Youth Services, and Big Brothers Big Sisters to offer free tickets to families in need,
- offer scholarships to company dancers to attend prestigious summer programs such as American Ballet Theatre, Pacific Northwest Ballet, and Oregon Ballet Theatre, and
- offer master classes with professional dancers from Pacific Northwest Ballet and other companies.

In addition to receiving special program recognition and complimentary tickets (depending on membership level) all BNW members receive top ticket priority for both *The Nutcracker* and *The Sleeping Beauty*.

Thank you for your support,
- Chris Cushman
President, Ballet Northwest
Board of Directors
