### Welcome to the Cast!

Being in the cast of *The Nutcracker* requires a considerable amount of time and energy during the school year – not only for the dancers but for their families, as well. We sincerely thank you for being a part of the Ballet Northwest’s 2024 production of *The Nutcracker*.

The time, energy and financial commitments required for all Cast are thoroughly detailed in the Handbook. Please thoroughly read all the materials and seriously consider these commitments. If you have auditioned for a role but wish to withdraw from the casting process, please email [directors@balletnorthwest.org](mailto:directors@balletnorthwest.org) before noon on Wednesday, September 25 to inform the Artistic Directors of this change.

### What is the Community Cast?

The Community Cast is a large group of enthusiastic dancers, ages eight (by August 31, 2024) and older, who have been cast for Ballet Northwest’s annual production of *The Nutcracker*. The

Community Cast participation fee is \$195, which includes rehearsal and performance time and use of Ballet Northwest costumes for the role in which they have been cast.

Traditional Community Cast roles include, but are not limited to: Mice, Infantry, Cavalry, Captains, Toys, Servants, Angels, Cotton Candy, Mother Ginger, Mother G's Children, Party Parents, Party Children, etc. Available roles may vary from year to year due to a wide variety of factors.

### **What is the Company Cast?**

The Company Cast is a committed group of dancers, age twelve (by August 31, 2024) and older, who perform at an Intermediate or Advanced Technique level and take a minimum of two Ballet Technique classes per week at any dance school, and have successfully auditioned to perform in Ballet Northwest's Dance Company. The Company Participation Fee is \$495 per dancer, which includes rehearsal and performance time and use of Ballet Northwest costumes for the role in which they have been cast. Company dancers also receive weekly mandatory company classes (usually on Saturday afternoons) plus regular master classes and educational seminars with guest teachers. Company dancers have the added commitment of rehearsing for and performing in Ballet Northwest's spring production in May. Company dancers have the option of dancing and/or choreographing for the Young Choreographers Showcase in August. Select company dancers are asked to participate in dance festivals in March. Company dancers also are eligible to apply for scholarships for summer training and college.

### **Communications**

BNW Community & Company cast will utilize the "BAND" app for most communications with cast families. Please make sure to join (detailed info will be provided at parent meetings.) Note there will be separate groups for community and company cast.

### **Parent/Dancer Etiquette & Expectations**

Ballet Northwest prides itself on fostering a positive environment for all dancers and families. It is important that all dancers and parents are respectful and courteous to other dancers and parents. Gossiping, bullying, and negativity in person and on social media are not tolerated and could be cause for dismissal. It is important when casting is posted for all dancers and parents to be sensitive to other dancers and parents, be respectful of casting decisions, and keep an open mind as groupings, choreography, costumes and dances can vary year to year. All dancers are valued, challenged, and placed in a role appropriate for their ability and experience. We encourage parents to be supportive of their dancer and other dancers and help foster a positive environment. Ballet Northwest is a unique and special place where dancers of all interests and abilities are given wonderful opportunities to perform on a beautiful stage with high quality costumes and sets. Issues should be reported to the Directors immediately.

### **Nutcracker Performance Requirements**

All cast members must be able to dance in ALL performances of *The Nutcracker* on December 13, 14, 15, 20, 21, and 22 in both matinee and evening shows. Attendance is required at all rehearsals and warm-ups, including the Sunday after Thanksgiving, December 1, 2024.

### **Spring Performance Requirements-COMPANY CAST ONLY**

All Company Cast members also perform in *The Sleeping Beauty* on May 9, 10, and 11, 2025. Attendance is required at all rehearsals and warm-ups. However, if your plans include a spring vacation, you may be excused from between March 30 and April 6 (NOTE THIS IS DIFFERENT THAN PREVIOUS YEARS. All dancers must be available for rehearsal Saturday, March 29 for mandatory rehearsals!)

## **Olympia Dance Festival Requirements-INVITED COMPANY CAST ONLY**

Some Company Cast members may be invited to participate in dance festivals on March 1, 15, and 22. These rehearsals will be held January-March, 2025.

## **Company Class and Master Class Requirements-COMPANY ONLY**

Company Cast members are required to attend weekly Company classes Saturday or Sunday afternoons taught by BNW Artistic Directors Ken and Josie Johnson at the Johansen Olympia Dance Center. Ballet Northwest also provides Master Classes designed to give our dancers the opportunity to learn from other instructors and expand their dance experience. Attendance and full participation at Master classes is required unless excused. Dancers are required to give Ken or Josie Johnson or Mary Johansen a Rehearsal Excuse Form IN PERSON at least two weeks prior to an absence to be excused. Do NOT put Excuse Forms in the BNW Drop Box.

## **Casting**

Casting is determined by the BNW Artistic Directors based on each dancer's ability, as well as the types of roles and costumes available. BNW is committed to matching as many Cast Members as possible with appropriate roles. *The Nutcracker* Cast List will be posted by 6:00pm on Friday, September 27, electronically at balletnorthwest.org and in hard copy at Johansen Olympia Dance Center. Do NOT call to find out your role!

Once the Cast List for *The Nutcracker* is posted, it is final. Any dancer who drops out of the Cast AFTER the Cast List is posted may be excluded from future participation in Ballet Northwest. Exceptions may be made for medical reasons or for exceptional circumstances but must be approved by the BNW Artistic Directors.

## **Mandatory Parent Volunteer Training & Meeting**

Parents will be required to attend parent volunteer trainings and/or meetings.

## **Participation Fee**

Every cast member pays a participation fee of \$195 (Community Cast) or \$495 (Company Cast) due with their audition application. Payment plans are available. If a dancer auditions for the Company but is placed in the Community Cast, a refund for the difference will be issued. If a dancer auditions for Community Cast but is not chosen for the cast, a full refund will be issued.

## **Family Discount**

A discount is given to families with multiple dancers in any combination of company or community cast. Refer to the dancer application for information related to the discount.

## **Partial Fee Waivers**

In case of financial hardship, a limited number of partial fee waivers are available (apply on the audition application.) Fee waiver requests are reviewed by the BNW Board of Directors and are awarded based on demonstrated need. All requests are kept confidential. Applicants will be notified of award upon approval.

## **Rehearsals**

Cast Members will rehearse one or two times each week from Saturday, September 28 through Saturday, December 7. All rehearsals during this time period will be held at Johansen Olympia Dance Center. Rehearsals will be held on Saturdays and/or Sundays until tech week. Cast members are required to attend all their designated rehearsals. Rehearsal schedules will be posted on Friday

evenings electronically at [www.balletnorthwest.org](http://www.balletnorthwest.org) and in hard copy at Johansen Olympia Dancer Center. Community Cast dancers are expected to arrive 5 minutes early to warm up, and Company Cast dancers are expected to arrive 20 minutes early to warm up and review choreography. Students must not be late to rehearsal without a pre-approved Rehearsal Excuse Form.

**There will be no rehearsals Wednesday through Saturday, November 27-30.** However, all dancers are required to attend rehearsal on Sunday, December 1 – less than two weeks from opening night!

Community Cast full evening rehearsals will be held December 8, 9, 11, and 12 at the Washington Center for the Performing Arts. Company Cast will attend all of those full evening rehearsals plus December 10 and 19. Please be prepared to pick up your dancer at the expected rehearsal end time, but be patient with the nature of final dress rehearsals as they may go longer.

### **Rehearsal Excuse Forms**

If a dancer must be absent from rehearsal for a major event (i.e. family wedding, band concert), a Rehearsal Excuse Form must be completed and handed directly to Ken or Josie Johnson or Mary Johansen for their approval at least two weeks prior to an absence. Ken or Josie's signature is required for your absence to be excused. This must be done in addition to the absences reported on the audition form. Rehearsal Excuse Forms may NOT be mailed, may NOT be placed in the BNW Drop Box, or may NOT be delivered in any other mode than IN PERSON to Ken and Josie Johnson or Mary Johansen. Rehearsal excuses will not be granted starting Friday, November 22.

### **Sickness and Emergencies**

If a dancer is sick or has an emergency, the parent or adult cast member MUST EMAIL Ken and Josie at [directors@balletnorthwest.org](mailto:directors@balletnorthwest.org) BEFORE REHEARSAL CALL TIME to be excused.

### **Theater Load-In Day**

Starting Sunday, December 8, all rehearsals will take place in the Washington Center for the Performing Arts. This is also the day that BNW Volunteers will move all of the sets into the theater. There will be evening dress rehearsals every night that week, but Community Cast Members are excused on Tuesday night (Tech Night) **December 10** to allow for additional work on the theater lighting and sound. Company Cast are required to attend that evening.

### **Theater Dressing Rooms**

Community Cast Members are assigned to dressing areas either in or near the Black Box or rooms located near the Green Room downstairs. Dancers are expected to follow all rules and respect BNW leadership and volunteer staff. Dancers must cooperate in keeping their dressing room space tidy and safe. The dressing rooms for Community Cast are generally assigned as follows:

**Community Cast Black Box Area:** Mice, Infantry, Cavalry, Captains, Toys, Servants, Angels, Cotton Candy, Mother Ginger, Mother G's Children, Party Parents, etc.

**Community Cast Downstairs Rooms:** Male Party Parents.

### **What to Bring**

Community Cast Members may bring: toys, games, books and other quiet activities to pass the time. It can feel like a long waiting period between call time and performance time, so please help support your child by providing simple, enjoyable things to do. Finally, we ask that dancers bring a

cooperative spirit, an attitude of respect for their volunteer supervisors, and a desire to perform their best – both on and off stage.

Please carefully consider the personal items your dancer brings to and/or leaves at the Washington Center. Neither the theater nor BNW is responsible for the loss or theft of valuables.

### **What Not to Bring**

No gum, candy, drinks or food are allowed in the dressing rooms at any time. Please do not bring valuables. BNW is not responsible for any items damaged or lost. Please ensure that your dancer understands their responsibility in safeguarding their possessions. Cell phones are permitted only to contact parent/guardian. BNW reserves full authority in monitoring the use of cell phones while dancers are under our supervision. Other electronics are NOT PERMITTED.

**Company Cast Members** are assigned to dressing rooms off of the Green Room in the bottom floor of the Washington Center. Dancers are expected to follow all rules and respect BNW leadership and volunteer staff. Dancers must cooperate in keeping their dressing room space tidy and safe. No food or drink allowed in dressing rooms.

### **Final Two Dress Rehearsals**

Final Dress Rehearsals are Wednesday, December 11 and Thursday, December 12. Full make-up and costumes are required during BOTH final dress rehearsals as photographers will be present.

### **Performances**

Dancers are expected to be ON TIME to all performances. Community and Company Cast members are considered to be on time when they sign in at the theater by the required **CALL TIME**. Late arrivals will be addressed by the BNW Artistic Directors, and chronic tardiness may result in dismissal.

There are a total of eight *Nutcracker* performances over two weekends. Performance weekends include one Friday (evening), two Saturday performances (matinee and evening), and one Sunday (matinee) performance. Performance dates are: December 13, 14, 15, and December 20, 21, 22.

### **Required Performance Check-In and Check-Out**

We are committed to ensuring the safety of all of our dancers, no matter their age. For this reason, we require all Community Cast parents and Company Cast dancers check-in upon arrival at the theater and check-out **after every performance. All dancers will enter/exit through the Black Box lobby on Washington Street (not the backstage alley.) For safety reasons, do not drop dancers outside of the theater, WALK THEM INTO THE BLACK BOX LOBBY.** Parents are encouraged to clearly communicate with their children about who will be picking them up after every performance to help ensure their safety and well-being. Please be on time for pick-up after all performances. After each performance, all dancers may be excused when:

- \*They have carefully removed all costumes and accessories
- \*They or a BNW Volunteer has properly stored the complete costume (including personal property such as shoes and leotards that are considered part of their costume, if applicable)
- \*They have neatly gathered and stowed their personal belongings for use during the performance
- \*They have collected their coats, hats, scarves, bags, cosmetic kits, cell phones, etc.

### **Performers as Audience Members**

If a dancer is checked out after Act I and plans to attend Act II as an audience member, **ALL TRACES** of stage make-up must be removed before entering the theater lobby. Parents checking out dancers after the Act I curtain call to attend Act II may enter and exit through the Black Box

Theater access by the elevator in the lobby, but only if prior arrangements have been made with the Black Box or Theater Access security volunteer. A valid ticket for your dancer is required for entry to the theater – even when entering at Intermission.

### **Costumes and Accessories**

Each dancer must provide their own ballet shoes, leotards and tights in colors and styles as needed for the show. All costumes and costume accessories not provided by the dancer are the property of Ballet Northwest and must be returned in good condition at the end of the production. Any items you purchase for performances will, of course, remain your property.

An extensive list will be posted in early November, allowing plenty of time to order at least two pairs of tights and the right color shoes.

We will be scheduling costume fittings for all groups in the next few weeks. At that time, we will further discuss their costumes, tights, shoes and accessories. You do not need to run out and buy anything until you feel certain about what is required.

Depending on the dancer's role, they will change into their costume at a designated time. Once the dancer is in their costume the following rules apply:

- \*No food or drink may be consumed in costume.
- \*Extreme caution must be used in applying or touching make-up. (Dancers may bring loose fitting button-up shirt to protect their clothing during the make-up application.)
- \*A skin tone leotard should be worn under the costume unless otherwise directed.
- \*Absolutely no sitting down in costume.
- \*Dancers must wait calmly and quietly to enter wings.
- \*Dancers must be respectful of their costume until it is removed and safely stored.

Costume fittings will appear on the rehearsal schedule, so please take notice of your dancer's fitting times. Rehearsal schedules will be posted in hard copy each Friday on the BNW board at the rehearsal studio and online 24/7 at [balletnorthwest.org](http://balletnorthwest.org) under "Cast and Company" section.

### **"The Barre" Parent Volunteer Group**

As a small non-profit community organization, BNW doesn't have a massive staff paid to make a major production "magically" happen. It requires lots and lots of hard-working volunteers like you. Having a well-organized volunteer program is the secret to success at BNW...and that's where the Barre lends extra support!

### **The Barre Leadership**

Natalee Andrews, Becky Carrell, Sarah Furtick, and Heather Nelson are the Volunteer Coordinators. Please feel free to contact them at [bnwvolunteers@gmail.com](mailto:bnwvolunteers@gmail.com). (NOTE THIS IS A NEW EMAIL ADDRESS.) They will be happy to assist you and look forward to working with you this season.

*The Barre* Parent Volunteer Group provides support for Ballet Northwest dancers through exceptional adult volunteers. If you are an adult family member of a Ballet Northwest dancer, you are automatically a member of *The Barre*.

The following volunteer opportunities describe all the ways you can help create the highest quality performance experience for your dancers. The Barre also serves to help volunteers feel more supported, trained, educated, and empowered which, in turn, helps everyone more fully enjoy the volunteer process—beginning to end.

## **Family Volunteer Service**

A production of this magnitude and quality requires the countless gifts and talents of many individuals. ***Adult family members of all Community Cast and Company Members are required to complete four to five volunteer activities per family during The Nutcracker (requirement will be solidified after casting is finalized.)*** It is our ultimate goal to match your skills, talents, and personality with a job that you'll be able to successfully carry out. There are many ways for you to fulfill your commitment while supporting the work of Ballet Northwest.

And remember, Family Service Hours can be shared among all adults in your family: parents, grandparents, uncles and aunts, and siblings **ages 18 and older** can help fulfill your volunteer commitment of five activities. In addition, all family members who volunteer must submit and pass the **background investigation** before being permitted to volunteer for the safety of all dancers. We simply ask that you help us determine whether they are a good fit for a specific role and that they are able to successfully carry out their duties on your behalf.

## **Volunteer Sign-Up**

Sign-ups for all available volunteer positions will be posted and managed online through SignUpGenius at [www.balletnorthwest.org](http://www.balletnorthwest.org) (under the Get Involved: Volunteer tab.) Look for an email later this fall with instructions on how to register and use the online system. We encourage you to sign up once you receive the email notice to have top priority and first choice to all volunteer options. Then regularly check back with SignUpGenius to see if other volunteer opportunities are available for you and your family to assist with. Each volunteer will need to identify which dancer they are volunteering on behalf of when signing up online.
